Example of a Linear and Modular HACCP Plan How you break down your HACCP studies to cover all the products and processes you produce is up to you and may depend on how complex your process is. This illustration provides an example of both a linear and modular HACCP plan and how the studies have been split to cover the whole process from raw material through to despatch. Lawrlwytho: [16] haccp_plans_-_original.pdf [17]	49.79 KB	Other resource
